

**Religious rules and requirements – Judaism.**  
**by Ari Z. Zivotofsky, Ph.D., Shu”B Bar Ilan University, Israel**

You can download the factsheet and/or the report.

[ [Factsheet](#) ]

The primary goal of this document is to present succinctly the religious requirements of Jewish ritual slaughter, known as shechita.<sup>1</sup> Because these laws are part of the larger corpus of laws that govern kosher food, which are, in turn, a subset of Jewish religious law, they will be presented with the relevant background and in context.
